

Small Group Leaders Needed!

We are in need of about 10 more adult or confirmed teen small group leaders for Confirmation Year 1. The students are mostly in grade 9; they will begin preparation this winter, break for the summer, and return in the fall for "Year 2." We need leaders who can commit to seeing them through the entire process.

The vision for the Confirmation program is, "A place where every young person is Respected as a child of God, Supported in developing a personal relationship with Christ, and Challenged by the Spirit to discover and share their unique gifts."

If this sounds like something you want to be a part of, contact [Dez Sobiech](mailto:dezs@stbeagan.org) at dezs@stbeagan.org, or call the parish office.

(Note: Classes this winter/spring will be either in person or online, depending on public health conditions. We hope to have everyone in person next fall.)
