Greetings Lector!

This schedule covers March, April and May, and starts this weekend. I was in a bit of a rush finishing up the schedules on time, so please forgive any errors.

Please be sure to look for a sub if you're not able to serve at your scheduled time, and keep Jackie apprised of your situation.

I send a pdf version of the schedule. A free Adobe Acrobat Reader is available online if you do not already have one. If this does not work for you, let me know and I'll send the schedule another way. I also provide a pdf copy to the office to post on the website. That may not happen right away. It includes first names and last initials, and no phone numbers. Consult your emailed copy for personal information.

Once again, please check your phone number and other personal information to ensure I have your listing correct. Let me know if I am not scheduling you as requested (particular Mass time, etc.).

**Schedule requests are due TO ME BEFORE May 10** for the June-August cycle at [johnruh@msn.com](mailto:johnruh@msn.com).

Blessings to you and thanks for all you do!
