

## Parent Testimonials:

*There wasn't a day that I walked away worrying about my kids. I KNEW that they were "loved" and cared for just as they should be. They were safe and more than that, they were encouraged to explore, make new friends, and learn. I cannot thank you enough for all you have done for my babies. The hugs for the kids, the smiles and caring sense that they received, is everything I wanted in a preschool.*

*St. Thomas Becket Preschool is a positive environment that fosters academic and social growth. It's also a great place to run around and simply have fun. It's a good balance of structure and open space for kids to learn while being kids.*
