

Child CARE during the 9am Mass on Sundays

STB would like to offer Child Care during the 9:00 Mass.

It would be a coop, so we need a minimum of eight families in order to have a 4-week rotation of two care-givers per mass. We have interested families, but not enough.

To participate parents must complete what is called the Essential 3 of VIRTUS which is the child protection program in the Catholic Church. It consists of · VIRTUS training (a class that can be offered here at church) · A background check · Signing a yearly Code of Conduct agreement.
