

Immigration Month

Why people come to the USA, what it takes to become a US citizen and how our country has been affected by the current situation.

Hosted by
Sylvie Basangwa,
Policy Advocate at the Immigration Law Center

The month of January is Immigration Month here at STB.

We celebrate that our Lord and Savior and his family were immigrant refugees from the despot, King Herod beginning with the Feast of the Epiphany.

As a parish we are celebrating our own immigrant heritage and learning more about this issue as it stands in 2019.

On Thursday, **January 17**, we are hosting Sylvie Basangwa, Policy Advocate at the Immigration Law Center. She will speak to us about why people come here, what it takes to become an American citizen and how our country has been affected by the current situation.

Our evening will start with hospitality at 6:15 pm. Her talk will be begin at 6:30 pm. We will end the evening at 8:00 pm.
