Have you ever thought that you would like to have a role in the life of YOUR parish?
Our new mission statement says that we are “all called to love, to serve and to be hope.”

Discernment night is a great opportunity to join staff and current members of the various councils that make up the leadership team at St. Thomas Becket, and see if **you** are being called to serve on one of the Councils. All of the Councils (formerly called “Commissions”) meet on the first Thursday of each month to assist Father Tim and the staff with planning, prioritizing and fulfilling all of the incredible things STB does as we put our faith into action locally, regionally and even internationally. There are 1, 2- and 3-year terms available.

We are looking for people high school age and above with ideas, enthusiasm, and vision! Don't have all 3? Would you rather get your hands dirty than vision? Not an idea person? We still have a place for YOU. Please consider attending the first part of June's meeting (the last one until the fall – that's right – no summer meetings to affect your time at the lake!). After the initial part of the meeting you will move into the church with Father Tim for further explanation and reflection. You can also personally meet with a representative from any or all the councils if you have questions. **REMEMBER**, this is a discernment evening; you are **NOT** expected to sign on the dotted line! We will give you contact information to take with you.

Did we mention that each Council night starts with an amazing meal prepared by our very own chef-extraordinaire Tom Ruhland? That alone is definitely worth the price of admission!

Look for more information including how to RSVP for June 6 in upcoming bulletins.

We are all called. Will you answer?
